Upcoming Event: Winter Photo Contest

Winter is a beautiful time - some would argue more lovely to look at than fall - all the tree tops lined with snow, icicles hanging above, and cold chill that makes your nose bright red!

If winter is your season, then now is your time to submit a favorite photo! It could be out around the office park, or just of you having a fun time at home with the family. Whether it be a beautiful sight, or a fun time - let's share the season together. Submit your photos to enter our contest.

We'll pick a photo or two we think really captures the heart of winter, and feature it in next month's Newsletter...oh and you'll win a prize! Click the button below to submit your entries.

Submit Photo Entry!

Upcoming Event: Snowflake Drawing

Participate in our fun snowflake drawing event. Enter by simply filling out the winter themed survey below (don't worry it's quick) - for each person who fills out the survey, we'll put your name on a snowflake to hang around our office.

Every week, we will pick one snowflake with a name on the back - if we pick your flake, you win a prize!

Click for Survey!

Guy Auteri, Building Maintenance

STAFF TIP OF THE MONTH:

Remember to submit any maintenance requests through the tenant work order portal. You can access this by going to RRPittsburgh.com/maintenancerequests and then clicking on "Foster and Cherrington Tenants."

Entering work orders not only helps us keep track of your needs, but can help you in seeing the progress and completion of tasks!

Cherrington Features

Photo on left submitted by Gretchen at Mortgage Connect (Building 600); Photo on right submitted by Sam at Corporate Elections (Building 200)

A perfect way to describe the December weather of 2020; pictured above two different scenes from our fun "Spot the Elf" event...and taken within just days of each other! Crazy how fast we moved into the winter weather, and how snowy that month was.

Our elf spent time all over the park during December, hopping from 300 to 200 down to 600 - even 500 and beyond! If you spotted the elf during the month, send us a message for a fun treat!

LAST WORD: Our Annual Food Drive

Thank you to everyone who participated in this year's Food Drive, benefiting the Greater Pittsburgh Community Food Bank. With your help, we secured a significant 527 pounds in food donations!

We appreciate your help in making this one of our favorite events, and helping to give back to the community at such a crucial time. Please look out for information on possible food drives in the future, including virtually during this Summer 2021.

Pictured: Holiday Food Collection at Cherrington

We kept the festive joy alive by sprucing up our collection bins placed in each building, shown in the photo above.
